

Hazen Area Dollars for Scholars “Sports Challenge”

Goal: To raise funds for HADS scholarships by finding corporate and private sponsors for basketball and volleyball games.

Pledge Amounts:

- Volleyball: The pledge amount will be the sum of both team’s scores at the end of the first match. Ex. Score of the first match is 25-16, sponsor pays \$41 to Dollars for Scholars.
- Basketball: The pledge amount will be the sum of both team’s scores at halftime. Ex. Halftime score is 28-20. The sponsor of that game pays \$48 to Dollars for Scholars.

How it Works:

- A list of sponsors will be sought out prior to the beginning of each school year.
- Depending on the number of sponsors, we can do JV and C games as well as varsity games.
- The list of sponsors will be displayed in the gymnasium through the school year with the game night sponsor also being on display additionally.
- A short blurb will be announced during the starting lineup for that night’s game and also announced with the pledge amount following the second match in volleyball and the third quarter in basketball. Sponsors have the right to personalize their message provided it is appropriate.
