

NDSU NORTH DAKOTA STATE UNIVERSITY

WELCOME TO A NEW YEAR!

We are so excited to be working with you all and your students for this upcoming school year. I oversee Western North Dakota and pockets of Eastern North Dakota so I will be your main point of contact for everything NDSU-related.

Please be sure to encourage seniors to apply early so they do not miss any of our admission steps, and encourage juniors to begin scheduling college visits. We can also arrange for one-on-one appointments, virtual tours and visits, and virtual academic appointments with any major if any of your students can't schedule a visit.

I will be present at all of the NACAC College Fairs this year, and will be planning my Fall 2022 travel cycle very soon. Thank you so much for all the hard work you do each and every year!

Focus2Apply—Explore Careers and Majors at NDSU

We are excited to share a [new tool for prospective students](#) who are undecided about what to study. This fun tool allows students who are considering NDSU to take short assessments that will match their interest and strengths to majors at NDSU. It will also highlight career opportunities for each major.

NDSU AT A GLANCE

- ◆ NDSU offers over 100 majors across eight academic colleges, including 83 masters degrees and 51 doctoral programs.
- ◆ Nearly 13,000 students from 49 states and 74 countries create a diverse student population.
- ◆ Member of the Tri-College University, which means NDSU students can also register for classes at Minnesota State University Moorhead (MSUM), Concordia College, Minnesota State Community and Technical College (MState), and North Dakota State College of Science (NDSCS).
- ◆ Student-to-faculty ratio of 16:1
- ◆ Campus is always growing and changing. Sugihara Hall, a four-story laboratory intensive building, is now completed! This building will be a connective plaza in the heart of campus.
- ◆ Home to nearly 300 student clubs and organizations and 14 Division I athletic teams.

HOW TO APPLY

1. Complete online application at ndsuhighereduapply.com
2. No application fee!
3. Self-report coursework, and high school coursework. NDSU is test optional.

ADMISSION GUIDELINES

- 2.75+ cumulative high school GPA
- Completion of 14 core high school courses
- ACT/SAT optional
- Personal essay and/or letters of recommendation also accepted but not required

Discover NDSU—October 20 & 21, 2022

Tour facilities, meet students and professors, and learn about academic life, student involvement, scholarships, and other opportunities available to NDSU students. Plan ahead as times and availability are limited. Can't make it to a Discover Event or group visit? Encourage your students to sign up for a daily visit Monday-Friday at nds.edu/visit

HIGH SCHOOL CLASS PLANNING

Use the online resources below to help students who are planning their high school schedules.

NDSU Programs

Encourage students to get our 100+ majors.

Transfer Evaluation System

Students can use this system to get see how Dual/CIS/PSEO credit may transfer to NSDU.

Credit by Examination

Credit may also be awarded to students taking AP, CLEP, IB and Project Lead the Way exams.

COME VISIT US!

We want to see you and your students on campus! Group Visits are a great way for you to expose your students to a college campus while showing them their higher education possibilities. Groups can range from 10 to 200 students. Visits include a campus tour and admission presentation and other sessions may be requested. To learn more, click the link above and then navigate to the Group Visits tab. Your students can also schedule an individual visit nds.edu/visit.
