

# Mrs. Mosset's Classroom Rules

- 1) Be on time and prepared for class to start when the bell rings.
- 2) Respect others and their property.
- 3) Later papers may be accepted at a reduced score. (Does not include work missed due to excused absence). Two points will be subtracted for each day the paper is late. You will not be able to make up a lab activity if it is missed. If your paper is more than 3 days late a quiz **MAY** be required in place of the missing worksheet. You will **NOT** be guaranteed time to work on your assignment in class; plan your study hall, homeroom and free time accordingly.
- 4) Lesson plans can be found on Mrs. Mosset's webpage. Please pay attention to upcoming tests and quizzes. Tests, quizzes, and projects are typically worth more points than daily worksheets so plan to spend more time on these assignments.
- 5) Working in the laboratory is a privilege; you are not guaranteed to be working with the group if you cannot follow classroom and laboratory rules. You will be given alternative assignments away from the laboratory activity.
- 6) Lab safety rules must **ALWAYS** be followed, no exceptions. Laboratory safety instructions will be discussed in detail at the beginning of the year and a lab safety contract will be signed by each student to signify that they understand the expectations.
- 7) No phones or any type of personal electronic device, as designated in the HMS handbook, will be allowed in the classroom. Students will be assigned

a school ipad to be used during classroom activities when electronics are required. If a student notices damage to the ipad, they must report that damage before they use it so we can investigate the source of the damage.

8) Cheating will result in a zero for all parties involved.

9) Students are to use planners/bathroom passes to check out of the classroom, there is a designated spot for planners while you are signed out and you will collect the planner when you return to the room. Additional planners can be purchased for \$5 if their planner is lost.

10) Students may be asked to help clean up or disinfect the work area before leaving the class or lab area.

11) The classroom rules are a work in progress, things may be added or changed as needed throughout the year.

Please sign to acknowledge that you have read and understand the classroom rules. Each student will be given 5 points for the return of this signed paper by 8-30-24.
